
VBS Carnival At Pamplin A Big Success

Elon Baptist Church hosted a VBS Carnival on Sun., June 18 that brought kids, moms, and dads out for an afternoon of plain fun. The weather was perfect for riding a pony, sitting under the shade of Elon's oaks and sipping a ice cold sno-cone, or for taking a ride in an antique buggy and wagon down the quiet streets of Pamplin.

Numerous members from the church donated their time and resources to make the day an exciting time for all. Each Sunday School class was responsible for sponsoring a game or activity. One member donated a minature fire truck for the children to ride in. Six members dressed as clowns to entertain both children and adults.

Bob Fulghum, a visitor from Georgia, won the "Trunk of Gifts" by choosing the correct key to unlock the lock. Bob also won a transistor radio when he made the winning guess of the number of marbles in a jar. Connie Webber of Pamplin won a transistor radio for her winning guess of the number of beans in a jar.

The day's activities ended on a sweet note with a delicious ice cream and cake supper, donated by the members. At least ten to twelve gallons of homemade ice cream and ten scrumptious cakes were consumed! A great deal of appreciation goes to area stores and banks who donated prizes for the Carnival.

Elon Baptist Church has planned numerous group activities for the summer. The youth group will be on retreat at the Holiday Lake 4-H Club June 30 and July 1. There will be a church-wide "Prayer Retreat" at the Holiday Lake 4-H Club July 21-22.

During the month of August the church will host a "Youth Center" for teens. One night each week end the youth will gather to see a movie, listen to good entertainment, or play games. Refreshments will be served each night.

Eating Well

Kids and Their School Lunch

Since 1970, Federal payments to the School Lunch Program have risen 70 percent. The total cost of each lunch in 1977 averaged $1.06. The cost to children has stayed about the same. State and local costs have increased over 50 percent, while federal contributions have tripled from 16c to 51c per lunch. Federal subsidies now account for nearly half the school lunch costs compared to about a fourth in 1970.

It is interesting to note that not all schools participate in the National School Lunch Program and not all children in schools which do participate eat the complete school lunch.

Recently the Food and Nutrition Service of the United States Department of Agriculture conducted a national survey. The results of the survey showed that only 48 percent of the children purchased the complete school lunch. A total of five percent skipped lunch. Twenty percent of the students surveyed attended schools that did not participate in the National School Lunch Program. One-fourth of the children brought a bag lunch. Another ten percent brought a la carte items, or a beverage and a dessert.

Eight percent of the children in the schools participating in the school lunch program went home for lunch; however, this figure doubled in the schools where there were no National School Lunch Programs. Another three percent ate in a restaurant or at a fast food shop.

Under a proposal announced by the Assistant Secretary of Agriculture, no candy, soft drink, frozen desserts, or chewing gum will be sold at schools participating in the National School Lunch program until after the last lunch period. The purpose of the proposal is to prohibit the sale of foods which are believed to have contributed to a decline in the participation in the school lunch and breakfast programs.

Wreck Island Extension Homemakers Club Meeting

Devotions and prayer were given by Mrs. Virginia Beard who read Psalms 67. Members repeated the "Homemakers' Creed."

The secretary read the minutes of the last meeting and they were approved. Also the treasurer gave a report.

Mrs. Dixie Staten, president, presided at the business meeting.

A report was given on the "Patchwork Festival" held June 10-11 at the Appomattox County High School cafeteria. A total of 8 quilts were displayed by three of our members and four of our members sent patchwork articles, handmade to display at the different areas of the Quilt Show.

Mrs. Virginia Tyler was chairman of the Flower Committee and made the flower arrangement for the registration table.

Mrs. Virginia Beard and Mrs. Frances Dyess were co-chairmen of the "Hostess Committee."

Mrs. Dixie Staten and Mrs. Frances Dyess were among the 31 Extension Homemakers who made the "Log Cabin" design quilt in one day by hand.

Members of all-14 clubs in our county had been asked to get donations of $1.00 each on the quilt. The winning name to be drawn from all those making donations. A contest was sponsored between the clubs to the effect that the club selling the most tickets would receive $15.00 for first place, and $10.00 for second place. Mrs. Margaret Lee collected $358.00 in donations on the quilt, more than any other homemaker. Members of her club collected $10.00 on donations, making a total of $368.00 for Wreck Island Club. Therefore the $15.00 was awarded the Wreck Island Club as first place winner in the contest.

The Appomattox Extension Homemakers Club collected $99.00 in donations and was awarded $10.00 fo- second place winner. Shirley Dillard of Appomattox, name was drawn from all those making donations. She was winner of the "Log Cabin" Quilt. Wreck Island will have one delegate attending Family Resource Conference in Blacksburg, July 18-20.

Mrs. Ruth Carson Federation Goal Leader read the following poem, "What are Fathers Made Of", by Paul Harvey.

A demonstration on "Public Information" was given by Mrs. Virginia Tyler. She attended the leader training meeting when Mr. Bill Britton, town manager of Appomattox, presented the training session on community resources. She stated that Mr. Britton outlined the resources that are available in the town and county to the people. He also told of the Emergency Survival plan that is being put into effect in Appomattox.

A social hour followed when members and guests enjoyed delicious refreshments served by the hostess.

The July meeting will be held at "Eldon" in the home of Mrs. Virginia Tyler on Wed., July 19, at 11:30 a.m. for a covered dish lunch.
